FEBRUARY 25, 1994

IN RE: Application of Hilton Head Plantation ) ORDER SETTING  
Utilities, Inc. for Approval of ) MATTER FOR  
Increased Rates and Charges. ) HEARING

This matter comes before the Public Service Commission of South Carolina (the Commission) on the February 7, 1994 Order of the South Carolina Supreme Court remanding this matter to the Commission and the February 23, 1994 Petition of Hilton Head Plantation Utilities, Inc. (HHPU). Under the Supreme Court's Order, the Court ordered the Commission to allow HHPU an ample opportunity to explain its expenditures and justify them. The Court also stated that the Commission may receive any other evidence as it be advised. Subsequent to receipt of the Supreme Court Order, HHPU filed a Petition with this Commission in an attempt to explain a number of the expenditures originally questioned by this Commission during the original proceeding in January of 1992. Upon examination of the Petition, it appears to this Commission that a hearing should be ordered so that the petitioner may further explain its expenditures to the satisfaction of the Commission.

IT IS THEREFORE ORDERED THAT:

1. A hearing at such time as may be set by Staff is hereby granted to Hilton Head Plantation Utilities, Inc. for the purpose

of explaining its original expenditures, as per the terms of the South Carolina Supreme Court's Order.

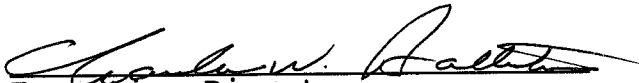

2. This Order shall remain in full force and effect until further Order of the Commission.
